

Sustainable Poultry Network USA

NeXT Level Partnerships

"Make a Generational Difference, Raise & Eat Sustainable Poultry!"

In the last five years, SPN-USA has had the privilege of impacting hundreds of small farmers who are interested in raising heritage, standard bred poultry. The majority of our partners are new poultry enthusiasts! They have never bred poultry before. Your financial support will impact individuals as well as communities. We are excited to see the future of SPN-USA! With your partnerships, we *can* rapidly achieve our *NeXT step* goals. Would you consider becoming a *NeXT Level* Partner? Funding is needed to help further accomplish our mission, vision and goals for the next several years.

NeXT Level Partnership will help us to:

- ~ Recruit and develop our new coaches!
- ~ Photography of standard bred poultry for training & education.
- ~ Feeding & growing research with pastured, standard bred poultry.
- ~ Continue the development of our brand new website! www.spnusa.com
- ~ Develop our online educational courses (online streaming and downloading of training videos)
- ~ Invest into younger farmers; they are the future of the small farming community!
- ~ Publish/print our new training manuals.
- ~ Provide scholarships and help underwrite our SPN-USA National Conference!
- ~ Develop products that will greatly enhance our educational systems.

As a NeXT Level Partner you will receive:
